U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are Bankruptcy Code sections 105 and 502, and Rule 3007 of the Bankruptcy Rules.

**BACKGROUND**

2. On November 10, 2008 (the "Petition Date"), the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code.

3. The Debtors continue to manage and operate their businesses as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108.

4. On November 12, 2008, the Office of the United States Trustee for the Eastern District of Virginia appointed a statutory committee of unsecured creditors (the "Creditors' Committee"). To date, no trustee or examiner has been appointed in these chapter 11 cases.

5. On November 12, 2008, the Court appointed Kurtzman Carson Consultants LLC ("KCC") as claims, noticing and balloting agent for the Debtors in these chapter 11 cases pursuant to 28 U.S.C. § 156(c).

6. On December 10, 2008, the Court entered that certain Order Pursuant to Bankruptcy Code Sections 105 and 502 and Bankruptcy Rules 2002, 3003(c)(3), and 9007 (I) Setting General Bar Date and Procedures for Filing Proofs of

Claim; and (II) Approving Form and Manner of Notice Thereof (Docket No. 890) (the "Claims Bar Date Order").

7. Pursuant to the Claims Bar Date Order, the deadline for filing all "claims" (as defined in 11 U.S.C. § 105(5)) arising before November 10, 2008 against the Debtors by any non-governmental entity was 5:00 p.m. (Pacific) on January 30, 2009 (the "General Bar Date"). The deadline for governmental units to file claims that arose before November 10, 2009 was 5:00 p.m. (Pacific) on May 11, 2009 (the "Governmental Bar Date"). Pursuant to the Claims Bar Date Order, this Court approved the form and manner of the claims bar date notice, which was attached as Exhibit A to the Claims Bar Date Order (the "Claims Bar Date Notice").

8. On December 17 and 19, 2008, KCC served a copy of the Claims Bar Date Notice on all parties who filed notices of appearance pursuant to Bankruptcy Rule 2002, all of the Debtors' scheduled creditors in these cases, the Debtors' equity holders, and certain other parties (Docket No. 1314). In addition, the Debtors published the Claims Bar Date Notice in The Wall Street Journal (Docket No. 1395) and The Richmond Times-Dispatch (Docket No. 1394).

9. On January 16, 2009, the Court authorized the Debtors, among other things, to conduct going out of

business sales at the Debtors' remaining 567 stores pursuant to an agency agreement (the "Agency Agreement") between the Debtors and a joint venture, as agent (the "Agent"). On January 17, 2009, the Agent commenced going out of business sales pursuant to the Agency Agreement at the Debtors remaining stores. As of March 8, 2009, the going out of business sales at the Debtors' remaining stores had been completed.

10. On April 1, 2009, this Court entered an Order Establishing Omnibus Objection Procedures and Approving the Form and Manner of Notice of Omnibus Objections (Docket No. 2881) (the "Omnibus Objection Procedures Order").

#### **OBJECTIONS TO CLAIMS**

11. By this Objection, the Debtors seek entry of an order, in substantially the form annexed as Exhibit A, pursuant to Bankruptcy Code sections 105(a) and 502 and Bankruptcy Rule 3007, disallowing the claims listed on Exhibit C attached hereto. The basis for the disallowance of the claims listed on Exhibit C attached hereto is that all of the claims (the "Claims") are claims relating the Debtors' short term incentive plan and the claimants did not meet the requirements of the short term incentive plan (the "STIP") to be entitled to payment.

12. The STIP was an annual bonus plan for eligible salaried associates based on the company's performance as well as individual associate's performance. Half of the STIP was derived from the company's performance and half was derived from an individual's performance. If the company met its performance goals, an eligible associate was qualified to receive up to fifty percent of his or her STIP. An eligible associate was eligible for up to the remaining portion of his or her STIP if he or she met or exceeded his or her individual performance goals.

13. To be eligible to receive the individual portion of the STIP, an eligible employee had to be rated as "meeting or exceeding expectations" in the annual evaluations. Much of the performance measures for eligible employees related to maintaining and increasing shareholder value, reducing expenses, increasing store and website traffic, improving profitability, and increasing sales.

14. In addition, to be eligible to receive any component of the STIP, an eligible employee must have been employed as of the payout date of the bonus, which was generally in mid May.

15. The 2009 STIP period was March 1, 2008 to February 28, 2009, with a targeted payout date of the STIP bonus on

May 15, 2009. No STIP bonus was made for any employee in 2009 because the goals and objectives of the STIP were not met. The Claims listed on Exhibit C were filed by former or current employees of the Debtors for the STIP bonuses who did not meet the requirements and requisite thresholds for entitlement to the STIP. Because the requirements were not met, the former or current employees are not entitled to the STIP bonus, the Debtors have no liability for the STIP bonus, and, accordingly, the Claims should be disallowed.

16. On November 10, 2008, the Debtors filed their Motion for Order Pursuant to Bankruptcy Code Sections 105(a), 363, 507(a), 541, 1107(a) and 1108 and Bankruptcy Rule 6003 Authorizing Debtors to Pay Prepetition Wages, Compensation, and Employee Benefits (Docket No. 6) (the "Employee First Day Motion"). On November 10, 2008, this Court entered that certain Order Pursuant to Bankruptcy Code Sections 105(a), 363, 507(a), 541, 1107(a) and 1108 and Bankruptcy Rule 6003 Authorizing Debtors to Pay Prepetition Wages, Compensation, and Employee Benefits (Docket No. 80) (the "Employee First Day Order"). In the Employee First Day Motion, the Debtors noted the STIP, among other plans, and explicitly stated the following:

At this time, the Debtors are not

requesting authorization to make payments on account of prepetition amounts owed in connection with such policies and plans. The Debtors are also not seeking authorization at this time to continue such programs in the ordinary course. The Debtors are currently evaluating their need and ability to continue such programs and will seek relief with respect to such programs in later motions, as needed. As such, this Motion is not intended to prejudice the Debtors' right to seek such relief, or any additional relief related to any Employee payments, benefits or programs, at a later date.

Employee First Day Motion, ¶ 72.

17. For ease of reference, attached as Exhibit B is an alphabetical listing of all claimants whose Claims are included in this Objection (the "Claimants"), with a cross-reference by claim number.

18. At this time, the Debtors have not completed their review of the validity of all claims/expenses filed against their estates, including the Claims. Accordingly, the Claims may be the subject of additional subsequently filed objections. To that end, the Debtors reserve the right to further object to any and all claims, whether or not the subject of this Objection, for allowance, voting, and/or distribution purposes, and on any other grounds. Furthermore, the Debtors reserve the right to modify,

supplement and/or amend this Objection as it pertains to any Claim or Claimant herein.

**RESERVATION OF RIGHTS**

19. As noted above, the Debtors reserve their rights to file objections to these Claims at a later time on any grounds that bankruptcy or non-bankruptcy law permits. The Debtors likewise reserve the right to modify, supplement and/or amend this Objection as it pertains to any claim or claimant herein.

**NOTICE AND PROCEDURE**

20. Notice of this Objection has been provided to all claimants with claims that are the subject to this Objection as identified on Exhibit C, respectively, and to parties-in-interest in accordance with the Court's Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management and Administrative Procedures (Docket No. 130) (the "Case Management Order"). The Debtors submit that the following methods of service upon the Claimants should be deemed by the Court to constitute due and sufficient service of this Objection: (a) service in accordance with Bankruptcy Rule 7004 and the applicable provisions of Federal Rule of Civil

Procedure 4; (b) to the extent counsel for a Claimant is not known to the Debtors, by first class mail, postage prepaid, on the signatory of the Claimant's proof of claim form or other representative identified in the proof of claim form or any attachment thereto; or (c) by first class mail, postage prepaid, on any counsel that has appeared on the Claimant's behalf in the Debtors' bankruptcy cases. The Debtors are serving the Claimant with this Objection and the exhibit on which the Claimant's claim is listed.

21. To the extent any Claimant timely files and properly serves a response to this Objection by 4:00 p.m. on September 15, 2009 as required by the Case Management Order and under applicable law, and the parties are unable to otherwise resolve the Objection, the Debtors request that the Court conduct a status conference with respect to any such responding claimant at 11:00 a.m. on September 22, 2009 and thereafter schedule the matter for a future hearing as to the merits of such claim.<sup>2</sup> However, to the extent any Claimant fails to timely file and properly serve a response to this Objection as required by the Case Management Order and applicable law, the Debtors request that the Court enter

<sup>2</sup> In accordance with the Omnibus Objection Procedures Order, claimants who respond to the Objection do not need to appear at the status conference.

an order, substantially in the form attached hereto as Exhibit A, disallowing the Claims set forth on Exhibit C attached hereto for all purposes in these bankruptcy cases.

**COMPLIANCE WITH BANKRUPTCY RULE 3007 AND  
THE OMNIBUS OBJECTION PROCEDURES ORDER**

22. This Objection complies with Bankruptcy Rule 3007(e). Additionally, the Debtors submit that this Objection is filed in accordance with the Omnibus Objection Procedures Order.

**WAIVER OF MEMORANDUM OF LAW**

23. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Motion, the Debtors request that the requirement that all motions be accompanied by a written memorandum of law be waived.

**NO PRIOR RELIEF**

24. No previous request for the relief sought herein has been made to this Court or any other court.

WHEREFORE, the Debtors request the Court to enter an Order sustaining this Objection and granting such other and further relief as the Court deems appropriate.
